This event is to support the endowed scholarship fund honoring active students in local Gay/Straight Alliance Clubs as well as continued support for LGBTQ youth and family support programming alongside Qmmunity Alliance. Every donation we receive will help defray the cost of the program, and raise funds for the scholarship now and into the future. We invite you to help make this important mission a success. By joining us as a patron of this concert, we can continue to grow our outreach into the community at Ascension United Church of Christ, and continue to support our scholarship fund, and other missions. As an Open and Affirming church of the UCC and recently designated a Zone of Peace church, we are open and welcoming to people from all walks of life, and want to spread this message to the greater Norristown community. Your tax deductible contribution will help greatly.
